

NOW WHAT?

Now what?

Part one: Why-Whom-How

A new believer needs to walk through this Why-Whom-How within minutes or hours of salvation.

- Why? Cast Vision - Why has God saved you? To reach you and your household.
- Whom? Make a name list of their influence and prayerfully prioritize it.
- How? Give them a testimony and a gospel presentation
 - Provide adequate time to practice it and set goals with prayer.

Part two: Training trainers

All three parts are incredibly important to our growth as Christians.

1/3 (Look Back)

W. What did you do **WELL**?

I. Where do we need to **IMPROVE**?

N. What do we need to do different **NEXT TIME**?

Use this time to Care, give Loving Accountability, and Casting a Vision.

2/3 (Look Up)

Pick a Passage (SOAP, Awana, Chapter of John)

Find a SOS!

S. **Say**: what is the passage saying?

O. **Obey**: What should we obey from this passage?

S. **Share**: Who is someone we can share this message with this week?

3/3 (Looking Ahead)

GO!

G. **Goals** for the week and discuss how we are going to accomplish it.

O. Pray for **Opportunities** to live it out in our lives

Look for ways to prepare your group for the week

Note: Never, Never, Never, give an assignment or goal unless you plan to ask about it at the next meeting.
